Solar now comes with storage

BS²D
BELGIAN SOLAR & STORAGE DAY

The Belgian Solar Day becomes the Belgian Solar & Storage Day. Same trusted meeting point, a wider stage.

A wider audience:
200+ people expected

Stakeholders from across the solar PV and storage value chain in one room.

A **proven meeting point** since 2019

The event is an important meeting place for industry stakeholders, network operators and policy-makers from across Belgium.

At the heart of **current developments**

Batteries and flexibility are moving to the centre of the Belgian energy debate.
Be visible where it happens.

Join us to explore the solar & storage technologies, policies, and market developments that will drive the next phase of Belgium's energy transition.

The 2026 edition

A room full of decision makers

150+
stakeholders in attendance

8
conferences

17
speakers on stage

Our sponsors for 2026

VOLTIXX RENEWABLES
SIGENERGY
OMEXOM
KRITECH mx
Fronius
SolarPower Europe

Why sponsor

Four reasons to be part of BS²D

BELGIAN SOLAR & STORAGE DAY

Be visible for months

Mailings, website and the social networks of all organisers, before and after the event.

A high-level event

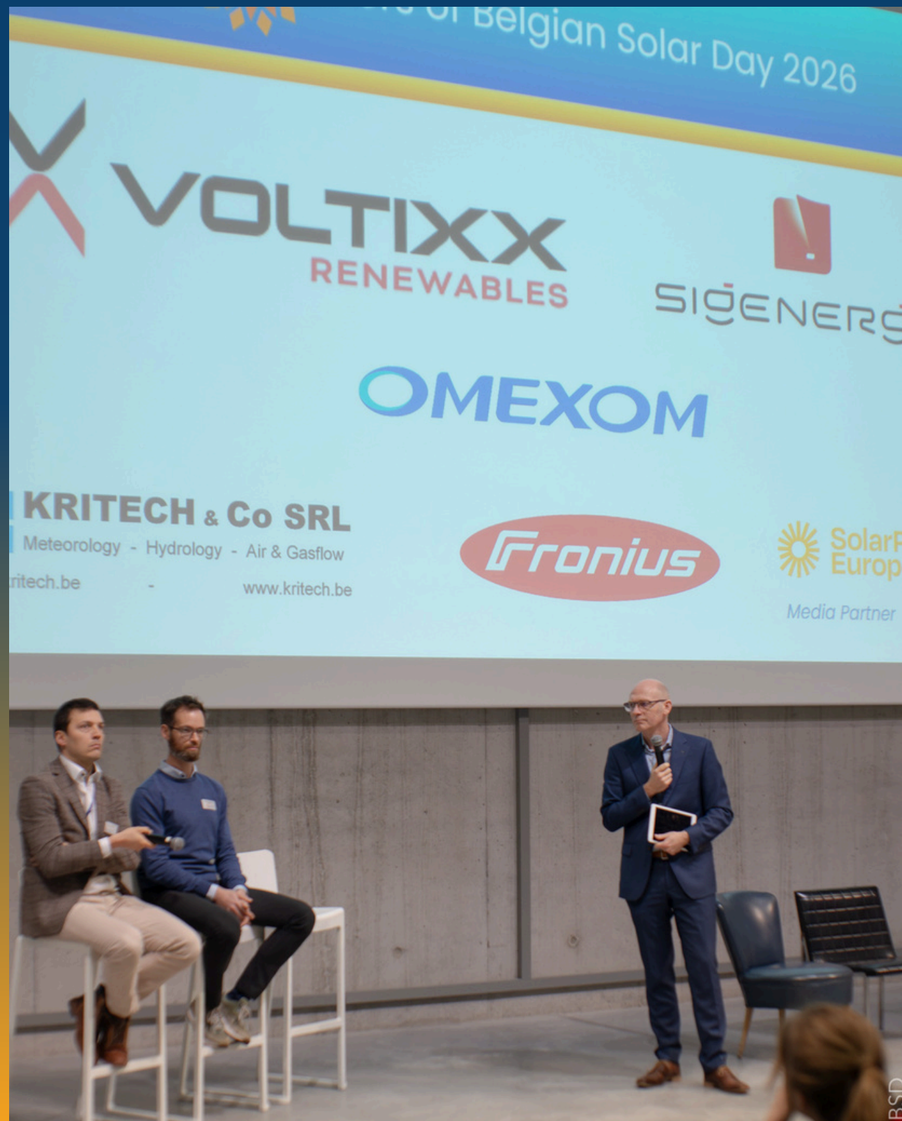

Associate your brand with a high-profile event co-organised by trusted organisations.

Speak to the market

As Gold partner, you can present your solutions on stage or in a panel to a qualified audience.

Expand your reach

Whether your core business is storage or PV, you'll immediately be recognised by a wider audience

Terms and conditions

1. The effective start date of this sponsorship is the day following receipt by the organisers of this order form, duly completed and signed, and it ends at the end of the event.

2. The sponsor allows the organisers of the 'Belgian Solar Day' conference to use the sponsor's brand, logo and baseline for the communication needs of the said event.

3. The sponsor has the right to use the Belgian Solar Day conference logo on its marketing material for the duration of its sponsorship agreement.

4. The organisers of the 'Belgian Solar Day' conference event will send an invoice for the sponsorship fees within a maximum of thirty days from the date of receipt by the organisers of this order form, duly completed and signed. Payment of the sponsorship fees must be made in full within thirty days of the date of the invoice.

5. In the event of cancellation of the 'Belgian Solar Day' conference due to government restrictions or force majeure, the sponsor will have 2 options: A refund of 70% of the sponsorship fees **or** the automatic carry-over of the same sponsorship formula for the next edition of the 'Belgian Solar Day' conference.

6. In all other cases, the sponsorship amounts are non-refundable.

7. Notwithstanding anything to the contrary in this Agreement: (i) except in the case of willful misconduct or gross negligence, any liability of either party under this Agreement shall be limited to the amount of the total value set forth in this Agreement; and (ii) in no event shall either party be liable for any incidental, special, punitive or consequential damages, lost profits or any other indirect damages, whether in contract, tort or otherwise, even if a party has been advised of the possibility of such damages.

8. These terms and conditions shall be governed by and construed in accordance with Belgian law and the sponsor irrevocably agrees that the courts of Brussels, Belgium shall have exclusive jurisdiction to settle any dispute arising out of or in connection with these terms and conditions.

Form to be returned, duly completed, **BEFORE 31 DECEMBER 2026**, by e-mail to Deborah Parmentier: **admin@becquerelinstitute.org**
Please send your company logo (high resolution - vector) with this signed and completed application form.
